

2018 EBA PRIMER SERIES:

***An Introduction to Federal Oil Pipeline Regulation***

Anadarko Petroleum  
1201 Lake Robbins Dr.  
The Woodlands, TX 77380

January 25-26, 2018

The Woodlands, TX

# Summary

The goal of this primer is to provide an overview of the federal economic regulation of oil and refined products pipelines. Taught by industry practitioners and regulators from the Federal Energy Regulatory Commission, the course begins with a brief overview of the oil and refined products pipeline industry and then describes key statutes and regulations governing and affecting the transportation of oil and other liquid petroleum products. Instructors explain important legal and regulatory concepts and requirements, pipeline services, the scope and limits of FERC and state jurisdiction and key issues affecting the industry.
