Dear Marcia,

Thank you for your gift of \$2,500.00 to support Habitat for Humanity of Montgomery County, Maryland, Inc. (HFH-MC). Your donation provides a hand up, not a handout, to families seeking to achieve the dream of homeownership and providing a safe and decent environment in which their families can grow and thrive.

HFH-MC has continued purchasing and renovating vacant, distressed homes in the county as part of the *Neighborhood Revitalization Program* (NRP). The benefit of NRP to Montgomery County is to contribute to the rebirth and stabilization of neighborhoods that have experienced a high incidence of foreclosures. We have also launched a new *Weatherization Program* for Montgomery County homeowners with the goal of providing free basic weatherization services to increase energy efficiency in the home. This new program will help low income families ensure their homes remain financially and environmentally sustainable so they can, in fact, focus on thriving and not surviving.

To learn more about our efforts visit us online at <http://www.habitat-mc.org>. You can also connect with us on Facebook <http://www.facebook.com/HabitatMC> and Twitter [http://twitter.com/Habitat\\_MC](http://twitter.com/Habitat_MC).

We thank you for your support as we continue our efforts to complete the homes that we have acquired through these programs. Your gift provides us with the ability to continue to provide simple, decent, energy efficient and affordable homeownership opportunities for families in Montgomery County.

Sincerely,

John Paukstis
