Dear Mr. Weishaar,

Thank you for your support of the Phoenix Society for Burn Survivors. Your recent contribution for our annual World Burn Congress Attendee Scholarship Fund, will truly make a difference to those whose lives have been touched by a burn injury. We very much appreciate your commitment in helping make this a successful and life-changing conference.

The Phoenix Society's World Burn Congress is an annual international conference for burn survivors, their families and caregivers, health care providers, fire service, and others involved in the burn recovery process. The conference includes educational and support programs providing attendees with comprehensive information and resources to increase knowledge of burn recovery. Most importantly, World Burn Congress creates an opportunity for burn survivors and those that care for them, a safe environment to heal and support each other.

By donating to the Phoenix Society's World Burn Congress, you are helping to ensure the future of this great event and the continuation of its powerful effects. We appreciate your patronage and support of burn survivors and thank you for sharing in this wonderful event.

Sincerely,

Amy Acton  
Executive Director
