

April 30, 2012

Charitable Foundation of the Energy Bar Association
1990 M St. NW
Washington, D.C. 20036

Dear Energy Bar Association,

Thank you for your generous contribution of \$3,000.00 on Monday, April 09, 2012 to Habitat for Humanity of Washington, D.C. (DC Habitat) for you April 14, 2012 Team Build Day. Your generosity will make an immediate difference in the lives of low-income families in the Washington, D.C. area by building more houses each year.

DC Habitat creates first-time homeownership opportunities for working families who are in need of decent shelter, have no other access to the credit or capital necessary to attain it, and are motivated to work in active partnership to achieve their dream of a decent home. Volunteers contribute many hours of labor to build Habitat homes and construction materials are purchased with donations like yours.

We are proud of our 22 years of providing homes to families in need of housing. Our goal is to create an even larger community of Habitat homeowners, with the support of friends like you.

We are grateful that you share our vision of a world where poverty housing does not exist, and working families have a safe, decent home to raise their children. On behalf of the families whose lives will be positively changed by your support, thank you.

In Partnership,

A handwritten signature in black ink that reads "Susanne V. Slater".

Susanne Slater
CEO & President
