Dear Mr. Weishaar:

On behalf of the Board of Directors, I would like to thank The Charitable Foundation of the Energy Bar Association for the recent grant of \$5,000.00 to Arlingtonians Meeting Emergency Needs, Inc. (AMEN). We appreciate the generosity and this financial support is particularly crucial during these challenging economic times.

So many in Arlington find it difficult just to pay for their basic needs. In 2011 AMEN provided almost \$800,000 in direct emergency financial assistance to our Arlington neighbors in need. And yet we were still unable to fill many request for emergency assistance. Without the help from AMEN, many of those would be homeless, or would go without necessary medical and dental treatment.

We work diligently to keep our overhead costs low. We think it is important for our funders to know that the grants are put to good use and 90 cents of every dollar donated to AMEN goes directly to our financial assistance programs.

Thank you once again for the generous grant. We are most grateful for your interest and support of our organization.

Sincerely yours,

Geraldine A. Shannon  
Executive Director
