Dear Evan:

On behalf of everyone here at GRID Alternatives, I want to thank you for your generous \$5,000 grant to support our work. To comply with IRS regulations, this acknowledgment also confirms that the Energy Bar Association is receiving no goods or services in connection with this contribution. Our Federal Tax Identification Number is 26-0043353.

Thanks to partners like you, we have now installed over 2,000 solar electric systems for low-income homeowners throughout California, and are working to complete 5,000 installations by 2016. We are excited to launch our first out of state pilot project in Colorado this year and grateful for your contribution and leadership to help bring the benefits of renewable energy to more underserved communities.

Sincerely,

Erica Mackie, P.E.
