Dear Jane:

On behalf of the NRECA International Foundation, I would like to thank you sincerely for the Charitable Foundation of the Energy Bar Association's donation in the amount of \$150,000 on behalf of the electrification projects in Bolivia.

I am happy to report that the first project in Riberalta, Bolivia is well under way with volunteers from Missouri and Oklahoma assisting in the efforts. In addition, we will be able to report by the end of the year about how the grant was spent as well as provide reconciliation on all equipment expenses incurred as per the terms of the grant.

I truly enjoyed meeting you last week, and I am excited to partner with the Charitable Foundation of the Energy Bar Association. I am also hopeful that we will continue to partner on future electrification projects.

With all best wishes,

Marc Breslaw
Executive Director
