Dear Sir or Madam,

The Keep Wisconsin Warm/Cool Fund (KWW/CF) would like to thank you for your generous contribution. This has literally made the difference between eating and heating or being forced needlessly into homelessness. Without the support of individuals like you, we would not be able to reach out to those most vulnerable – the elderly, disabled and young working families who would have had no place else to turn.

Literally thousands of Wisconsin households facing a potential energy related crisis were able to keep their heat and power on. It is important to note that the Keep Wisconsin Warm/Cool Fund has continued to place a special emphasis on reaching out to our Veterans struggling to survive on limited incomes at or below the poverty levels. Today they are the fastest growing numbers to receive emergency assistance from KWW/CF.

As a result of the tremendous support and generosity of donors like you, we have become beyond government, the primary organization responding to both energy and housing related crisis situations. Without question, our survival safety net has proven to not only meet the immediate unmet needs of our Heroes but has resulted in the long term economic stability of those served. During 2017, over 6,200 Veterans received the services and assistance necessary to avert being without power or being homeless.

We are particularly proud that over 90 cents of every dollar contributed goes directly towards providing the necessary help to keep the heat and power on for those most vulnerable. Your donation has warmed a heart as well as a home this winter. Thanks again for giving the gift of warmth.

Sincerely,

Timothy V. Bruer, KWW/CF Chief Spokesperson
