

**Susan Ackerman**  
*Chief Energy Officer*  
**EUGENE WATER & ELECTRIC BOARD**

Susan K. Ackerman is currently the Chief Energy Officer of Eugene Water & Electric Board in Eugene, Oregon. She was a Commissioner at the Oregon Public Utility Commission (the last 4 years as Chair) from 2009 – 2016. She served as Chair of the Electricity Committee of NARUC and on the Advisory Committee to the Electric Power Research Institute, among others.

Prior to the OPUC, she represented a wide variety of clients in the energy field on rate matters, power sales and natural gas purchase contracts, competitive procurement policies, transmission access, NERC reliability standards, and natural gas pipeline rate matters, among others.
