

Representative Chris Hansen, *Colorado General Assembly*

Chris Hansen specializes in energy sector economics and data analytics, with 20 years of experience in the global energy industry. He is the Representative for District 6 in the Colorado House of Representatives, representing the east-central neighborhoods of Denver and serves on the Joint Budget Committee and as Chair on the House Appropriations Committee.

Previously, as Senior Director at IHS Markit he led a global portfolio of energy products, events and partnerships. He is a co-creator of the OptGen analysis, IHS CERA's unique tool for applying financial portfolio techniques to power generation.

Before joining IHS Markit, Dr. Hansen was a Research Fellow at the Oxford Institute for Energy Studies, where he analyzed electricity and gas sector reform in India and published several papers in professional journals on energy sector economics and policy analysis. Dr. Hansen holds a BSc in Nuclear Engineering from Kansas State University; a Graduate Diploma of Civil Engineering from the University of the Witwatersrand, South Africa; a Master of Science in Technology Policy from MIT; and a PhD in Economic Geography from Oxford University.

In 2012, he was selected as a Marshall Memorial Fellow by the German Marshall Fund and in 2017 was selected as a Public Leadership Fellow at Harvard University by the Gates Family Foundation.
