

**Jennifer Gardner**  
*President & Founder*  
**ENVISION ENERGY, LLC**

Jennifer Gardner is an attorney and independent consultant with over 10 years of experience in the electric power sector. In 2020, Ms. Gardner founded Envision Energy, LLC, an independent consultancy providing guidance and expertise in the areas of wholesale electricity market design and governance, renewable energy procurement and deployment, distributed energy resource integration, transmission system planning, and electric grid reliability.

Prior to founding Envision Energy, Ms. Gardner spent five years at Western Resource Advocates, an environmental non-profit headquartered in Boulder, Colorado. There, she directed the work of the Regional Energy Markets Program and advocated for market frameworks that can provide decarbonization solutions for the western power grid.

Additionally, Ms. Gardner has held previous positions with the Utah Governor's Office of Energy Development and the Western Interstate Energy Board. Ms. Gardner lives in Park City with her husband, son and two dogs and enjoys skiing, hiking, trail running and gravel biking.
