

Adam Pollock, *Energy Industry Analyst - Subject Matter Expert*, FERC

Mr. Pollock is an Energy Industry Analyst in the Office of Energy Market Regulation at the Federal Energy Regulatory Commission. He serves as a subject matter expert, specializing in cost of service matters, including return on equity, as well as in transmission incentives and capacity markets. Mr. Pollock previously worked at the National Regulatory Research Institute, conducting research and assisting states, and at the Reznick Group where he structured project finance and addressed regulatory requirements for renewable energy developers.
