

## **Tyson Slocum**

*Director of Energy & Climate Program*

**PUBLIC CITIZEN**

Tyson Slocum is director of Public Citizen’s Energy Program, covering the regulation of petroleum, natural gas and power markets. Tyson promotes an equitable energy transition that provides distributed renewable energy generation and sustainable transportation solutions for working families. Tyson serves on the U.S. Commodity Futures Trading Commission’s Energy & Environmental Markets Advisory Committee, and frequently intervenes before the Federal Energy Regulatory Commission

representing the interests of household consumers. Tyson presents his research in congressional testimony and appears regularly in the media. Tyson is a member of the faculty at the University of Maryland Honors College, where he teaches energy and climate policy. Prior to joining Public Citizen in 2000, Tyson served as an analyst with the Institute on Taxation & Economic Policy. Tyson is an expert in issues dealing with regulation and deregulation of energy markets, the impact of mergers and lax regulations over electricity, petroleum and natural gas and federal energy legislation.

### **Media Appearances:**

Tyson has appeared on CNN, CNBC, MSNBC, Fox News and Comedy Central’s “Colbert Report,” and has been quoted in publications such as *Forbes*, *CNNMoney.com*, *The Hill*, *The New York Times*, *The San Francisco Chronicle*, *The Associated Press* and *Los Angeles Times*.
