ORDER NO. 841: FERC AND DC CIRCUIT ACTION ON ENERGY STORAGE RESOURCES

Featuring Michael Herbert, Anand Viswanathan, Heidi Nielsen, and Karin Herzfeld

Join us for a discussion of FERC Order No. 841, the DC Circuit’s decision in National Association of Regulatory Utility Commissioners v. FERC, and the career trajectories of our speakers.

EBA’s Young Lawyers Council seeks to educate its members and others in the practice of energy law, actively encourages student participation in the energy bar, and works to integrate newer energy law practitioners into the bar, EBA, and the energy law community.

Women Empowering Women and Future Power are employee resource groups at FERC committed to providing opportunities for the advancement of industry knowledge and professional development to all Commission employees.
