ROCKY MOUNTAIN CHAPTER
OF THE
ENERGY BAR ASSOCIATION
(Revised and Approved by EBA Board 4.10.14)**

Pursuant to Article XII of the By-Laws of the Energy Bar Association (the “Association”), there is hereby chartered the Rocky Mountain Chapter of the Energy Bar Association (the “Chapter”). This Charter provides for the governance of the Chapter and its relationship to the Association. The Chapter shall include the states of Colorado, New Mexico, Montana, Utah and Wyoming (the “Rocky Mountain Region”). This Charter replaces in its entirety the Charter of the Rocky Mountain Chapter of the Energy Bar Association, issued January 15, 2013.

ARTICLE I

Chapter-Association Relations

Section 1. The Association has hereby chartered the Chapter in recognition of the important role the Rocky Mountain Region plays in the development and utilization of the energy resources of the United States and in recognition of the significant number of Association members who are located in the Rocky Mountain Region and who are engaged in the active development and management of energy resources therein. A primary purpose of the formation of the Chapter is to encourage the growth and expansion of membership in the Association from the Rocky Mountain Region and to provide a forum for education and development of energy lawyers therein. The formation of the Chapter has been found to be important to better provide for existing and future

members of the Association to fully participate in the activities and enjoy the benefits of membership in the Association, to further the purposes of the Association pursuant to its Articles of Incorporation and to promote the mission of the Association, which is:

To enhance the professional competence of those who practice and administer energy law.

Section 2. To achieve the purposes of the Association and the purposes for which the Chapter is hereby chartered, it is necessary to provide for close coordination of the operations of the Chapter with the operations of the Association. Therefore, the President of the Chapter shall receive advance notice of all meetings of the Board of Directors of the Association, and in such capacity shall be entitled to attend all such meetings and to participate in the deliberations at such meetings, but shall not in such capacity be a member of the Board of Directors of the Association. The President of the Chapter or his/her designee shall be named ex-officio members of the Association's program committee and shall be entitled to participate fully in the affairs of such committee of the Association.
