

## 2023-2024 EBA Board Member Nomination Submission

The Energy Bar Association’s Committee on Nominations seeks to ensure that EBA leadership is vigorous, attuned to the needs of its membership, and committed to the Association’s mission of promoting professional excellence in the practice of energy law. Accordingly, we look for a variety of attributes in our nominees, including a record of prior service to the EBA or other professional or pro bono organizations; professional excellence; adherence to high ethical standards; leadership; collegiality; and diversity in all aspects. In addition, nominees must be prepared to fulfill the responsibilities and commitments associated with board membership.

If you would like to recommend a candidate to serve, or if you are interested in serving as an officer or director on the Boards of Directors of the EBA, the Foundation of the Energy Law Journal (FELJ), or the Charitable Foundation (CFEBA), **please complete this form and return it to the nominating committee.**

If you do not have all of the information requested below, the Committee on Nominations encourages you to obtain the information from the person whose name you are submitting. Your recommendations help the Committee on Nominations identify interested and qualified candidates for the EBA Board and assist the incoming EBA president in selecting appointments to the boards of the CFEBA and FELJ.
