The Jason F. Leif Chapter Service Award

In February 2018, the Energy Bar Association created the Jason F. Leif Chapter Service Award in memory of Jason F. Leif, a past EBA President, a past President of the Houston Chapter of the EBA, and a motivating force in the revitalization of the Houston Chapter. This award honors and recognizes exemplary long-term service, or one or more particularly significant examples of service, by an EBA member to one or more of the EBA Chapters. Exemplary service to the community in connection with EBA Chapter activities may also be considered. The award is granted as deemed warranted by the EBA Board and may, or may not, be granted annually. In May 2018, Jason was presented the first award, posthumously.

EBA seeks to ensure its regional chapters are vigorous, attuned to the needs of the membership, and committed to the Association's mission of promoting professional excellence in the practice of energy law. EBA also wants to enhance the role of the EBA Chapters in representing EBA's values and character at the regional level. Accordingly, we look for a variety of attributes in our nominees, including:

- A record of service to one or more EBA regional chapters
- Professional excellence
- Adherence to high ethical standards
- Leadership
- Collegiality
- Diversity in all of its aspects
