

Masters Council Charter

The Masters Council was established to:

- Engage in the mentor/mentee program as a resource to members of the Young Lawyers Council and others;
- Serve as a resource to EBA members who are undergoing career transitions and want advice and feedback, provided in confidence, about potential career options;
- Serve as a resource to the Professional Education Council, particularly as concerns leveraging contacts and relationships to attract influential keynote speakers and panelists; and
- Serve as ambassadors for the EBA in the energy industry and legal industry.
