

2023 Paul E. Nordstrom Service Award Nomination Submission (Due August 24, 2023)

Among members of the energy bar, Paul E. Nordstrom was held in very high esteem. Nordstrom, a former EBA President and the guiding force in creating the Charitable Foundation of the Energy Bar Association (CFEBA), was one of the country's leading energy attorneys representing a variety of clients in the electric power industry on regulatory and power supply matters.

In recognition of his influence, service, and impact on the Association, EBA established the Paul E. Nordstrom Service Award following his passing in 2008. Today, ***we are calling upon EBA members to recommend candidates for the award named in his honor.***

The award honors and recognizes exemplary long-term service or a particularly significant example of public service to the community through the EBA, CFEBA, or Foundation of the Energy Law Journal. Exemplary community service outside of these organizations also may be considered. A nominee must be a current or former member of EBA. The Board of Directors for EBA and CFEBA will determine who shall receive the award. To see a list of prior recipients, visit <https://www.eba-net.org/about/awards/>.
