Dear Colleagues:

In accordance with Article VIII of the Energy Bar Association's By-Laws, the Nominating Committee respectfully encloses its 2024 Report, comprising nominations for open officer and board member positions.

EBA's By-Laws provide all members the opportunity to participate in the process of nominating board members and officers to the EBA Board of Directors. In response to the request for nominations the Committee sent in February 2024, a large number of members recommended candidates for our consideration. Thank you for your recommendations. We received a wealth of qualified candidates to choose from across multiple regions and sectors of the membership for the 10 open EBA Board positions.

The EBA membership will elect officers and directors for 2024-2025 at the Association's 2024 Conference and Annual Meeting in Washington, D.C. The election will occur at the Association's annual business meeting to be convened at 12:15 P.M. on Friday, April 26, 2024, at the Marriott Marquis, 901 Massachusetts Avenue NW, Washington, DC 20001.

We hope you will attend the Annual Meeting and Conference and continue to take advantage of opportunities to be involved in the Association, its Regional Chapters, Committees, and Councils and EBA's sister boards, the Charitable Foundation of the Energy Bar Association and the Foundation for the Energy Law Journal. Your support and involvement enable the EBA to serve its members, the legal profession, and our communities.

Very truly yours,

The EBA Nominating Committee
