Dear EBA Members:

In accordance with Article VIII of the Energy Bar Association's (EBA) By-Laws, the Nominating Committee respectfully encloses its 2026 Report.

EBA's Bylaws provide all members the opportunity to participate in the process of nominating board members and officers to the EBA Board of Directors. In response to the request for nominations sent to all members in January 2026, we received a wealth of qualified candidates to choose from across multiple regions and sectors of the EBA membership.

We hope you will attend the Annual Meeting and Conference and continue to take advantage of opportunities to be involved in the EBA, its Regional Chapters, Committees, and Councils and EBA's related boards, the Charitable Foundation of the Energy Bar Association and the Foundation for the Energy Law Journal. Your support and involvement enable EBA to serve its members, the legal profession, and our communities.

Notwithstanding the preceding sentence, except as provided in Section 3 of this Article, the Association shall be required to indemnify an Indemnified Person in connection with a Proceeding (or part thereof) commenced by such Indemnified Person only if the commencement of such Proceeding (or part thereof) by the Indemnified Person was authorized in advance by the Board.

Section 13.2. The Association shall, to the fullest extent not prohibited by law, pay the expenses (including attorneys' fees) incurred by an Indemnified Person in defending any Proceeding in advance of its final disposition; *provided, however*, that, to the extent required by law, such payment of expenses in advance of the final disposition of the Proceeding shall be made only upon receipt of a written affirmation of the Indemnified Person's good faith belief that he or she has met the relevant standard of conduct required under applicable law for indemnification and an undertaking by the Indemnified Person to repay all amounts advanced if it is ultimately determined that the Indemnified Person is not entitled to be indemnified under this Article or otherwise.

Section 13.3. If a claim for indemnification (following the final disposition of the Proceeding for which indemnification is sought) under this Article is not paid in full within sixty days after a written claim therefor by the Indemnified Person has been received by the Association, or a claim for advancement of expenses under this Section is not paid in full within thirty days after any statement therefor has been received by the Association, the Indemnified Person shall thereupon be entitled to file suit to recover the unpaid amount of such claim. If successful in whole or in part, the Indemnified Person shall be entitled to be paid the expense of prosecuting such claim to the fullest extent

permitted by law. In any such action the Association shall have the burden of proving that the Indemnified Person is not entitled to the requested indemnification or advancement of expenses under applicable law.

Section 13.4. Any right to indemnification or to advancement of expenses of any Indemnified Person arising hereunder shall not be eliminated or impaired by an amendment to or repeal of this Article after the occurrence of the act or omission that is the subject of the Proceeding for which indemnification or advancement of expenses is sought.

Section 13.5. The rights conferred on any Indemnified Person by this Article shall not be exclusive of any other rights that such Indemnified Person may have or hereafter acquire under any statute, the Articles of Incorporation, the Bylaws or any agreement, or any vote of members or disinterested directors or otherwise. This Article shall not limit the right of the Association, to the extent and in the manner permitted by law, to indemnify or to advance expenses to persons other than Indemnified Persons when and as authorized by appropriate corporate action.

Section 13.6. In no case, however, shall the Association indemnify, reimburse or insure any person for any taxes imposed on such individual under Chapter 42 of the Internal Revenue Code of 1986, as now in effect or as hereafter may be amended (the "Code"). Further, if at any time the Association is deemed to be a private foundation within the meaning of Section 509 of the Code then, during such time, no payment shall be made under this Article if such payment would constitute an act of self-dealing or a taxable expenditure as defined in Section 4941(d) or Section 4945(d), respectively, of the Code.

ARTICLE XIV – AMENDMENTS

Section 14.1. Articles of Incorporation: The Articles of Incorporation may be altered or amended only by two-thirds of the Voting Members present at any meeting, but no such change shall be made unless notice of proposed alteration or amendment shall have been given by the Secretary to all members of the Association by mail, fax or e-mail at least thirty days before the meeting at which the amendment is offered.
